DISTRICT 44N  
SEPTEMBER 2016  
VOLUME 22, ISSUE 3

Hello District 44N Lions

This year is kicking off fantastically !!!! I was so pleased to see so many fantastic Lions at the District Cabinet meeting on August, 7<sup>th</sup> at the Keene Country Club. The energy in the room was high, laughter was in abundance and passion for Lionism is strong ! This is our Centennial year, there will be so many EXTRA fantastic events to be held throughout this year....Be on the look-out every month in the Roar Newsletter.

September 27<sup>th</sup> is one of those special events – International President Bob Corlew will be in New Hampshire with the Centennial Lions tour bus. At this time, IP Bob and the bus will be at Veterans Park at 1pm – as the time draws near, I will be sending out more detailed information to the Presidents of each club ! We would be honored to have as many NH Lions present as possible.... AND, if you have a new member, please ask them to attend as IP Bob Corlew will personally be inducting NEW MEMBERS ! What an honor, to be inducted into Lionism by the International President !

Another important date to remember is September 10<sup>th</sup> – there will be a Secretaries class offered to both Districts. The training will be at the Delta Dental Building , 2 Delta Dr, Concord NH from 9am to noon.

Please RSVP to PCC Celeste [Ricupero7@comcast.net](mailto:Ricupero7@comcast.net) as soon as possible. If you are a secretary, I encourage you to attend this training ! If you have NEVER attended a secretary training, I strongly encourage you to attend. If you are “thinking” of becoming a secretary, I really REALLY encourage you to attend. The secretary position is, in my opinion, the most important position in your club’s leadership. Let us help you enjoy this important position in your club leadership. Remember, it’s not just for secretaries but is open to all Lions.

Thank you for all that you do in Lionism – I appreciate each and every Lion in District 44.

I look forward to seeing you soon !

~DG Christine

Did you know.... *That MD44 has a  
Fellowship Notice !?*

District 44N only has 33 Lions who receive MD fellowship updates. If you would like to start receiving updates on MD 44 Lions in the District who need prayers sent – please contact Lion Valencia Wilson at [valenciawil@comcast.net](mailto:valenciawil@comcast.net) to be added to the Constant Contact email notification. Nancy O'Dowd is the District Fellowship Chair - she does an amazing job of keeping the District informed.

Hello Fellow Lions,

DG Christine's first Cabinet meeting was a success and thanks to all those attending. Officially, all the officers, Zone Chairs, and GLT & GMT were all sworn in. Now we are all getting to work! There are District Directories available to purchase for \$5.00. These books contain contact information for all the clubs and officers in both Districts as well and the Multiple District, and Multiple District Boards.

Thanks to those of you who have scheduled DG Christine's visitation, and thank you in advance to those who have yet to schedule.

Our first visitation was to the Antrim club hosted by the Ullman's at their home. It was a great exchange of ideas, concerns and most importantly the impact the Antrim Lions club has in the community.

I look forward to meeting everyone and if I can be of service, please don't hesitate to contact me.

Congratulations to DG Christine for a great first Cabinet Meeting to start off the year!

September is already here and it is time for clubs to gear up, if you haven't already. Zone chairs are setting dates for their first meetings of the year and I hope they get great attendance. These meetings are an invaluable gathering opportunity for neighboring clubs to swap information.

Presidents, secretaries, membership chairs, centennial chairs, and visitation chairs along with fundraising and speaker chairs all can get answers and ideas to bring back to their clubs to help facilitate a successful Lionistic year. Remember, any Lion is welcome to attend. Learning the strengths and weaknesses of your neighboring clubs can benefit all. You can discuss ways you can work together in membership drives, fundraisers, community projects, etc. So plan now to attend your Zone Meetings with more than just your president and secretary.

Finally, I am looking forward to attending the USA/Canada Forum in Omaha this month and I hope to return to New Hampshire with information to help strengthen our district so that we can better serve our communities. Remember: We Serve!

VDG Eric Lindberg

*Musings from SVDG Fred Plett*

As this Roar gets published, summer will be essentially over (OK, a few days left until Labor Day weekend), and those clubs which take a summer hiatus will be starting up with meetings and activities at full bore.

Have you thought about having one of your early meetings focus on training of your incoming officers, and orientation for club members?

As your service activities get underway, use the opportunity to invite friends, neighbors and community leaders and in the process exposing them to Lions, all the good work we do, and the fun we have doing it.

If the service projects are undertaken with energy and enthusiasm, people will be begging to join because they want to be part of the action.

New Hampshire  
Sight & Hearing Foundation

Greetings to all NH Lions  
*from your NH Sight & Hearing Board of Directors*

Sight & Hearing President PDG Sandra Hurd presents Sight & Hearing IPP SVDG Fred Plett with a gift card thanking him for his hard work and dedication to Sight & Hearing as President in the 2015-16 Lion year.

Do YOU like to make Wishes? Does your club have a Lions Wishing Well? Have you experienced the fun of watching folks drop coins in your Lions Wishing Well at an event?

DG Al Goldstein says he has several table top Wishing Wells to go to clubs who would like to use them. Contact Al at 603-362-6529 to get your very own Lions Wishing Well.

I am pleased to announce that our Endowment Fund continues to increase. The balance is currently at \$877,847 (up from \$847,202 in July). Thank you all for your on-going donations.

Come and join us at our next meeting on September 22, 2016. It will be on the 4<sup>th</sup> Thursday in September as many of our board members will be attending the USA Canada Forum on the 3<sup>rd</sup> Thursday. It will be at Blake's Restaurant, 353 S. Main Street, Manchester.

Find out how we assist those in need with hearing aids and cataract surgeries.  
Let me know if you will attend, so I can save a chair for you.

You are **ALL** members of  
the NH Sight & Hearing Foundation.

President, NH Sight & Hearing Foundation

Dear Fellow Lions,

I would like to thank DG Christine Greenwood for appointing me as your District Global Leadership Coordinator to serve 2016-2017.

Having served 2 years on Lions Clubs International Board of Directors (LCI) it feels great to be back full time in our district.

I would also like to thank all of you who are serving in Leadership roles in your Club and in District 44N. Without your dedication and leadership skills, a lot of what Lions do in our communities could be affected. We all strive to meet the needs in each of our communities.

Clubs could always use more Lions to take on some of the Leadership roles in order to keep clubs healthy, organized and most of all to keep the club going for years to come.

LCI offers many courses that could be taken on-line that works best for you such as the Club Officer Orientation Training Materials in the section of Leadership Development. Utilize the Mentoring Program to build stronger relationships with members and encourage members to strive to achieve higher leadership levels within LCI.

Utilize "Your Club, Your Way" to help find a meeting format that meet's member needs by customizing your club meetings. Another useful guide is "Blueprint for a Stronger Club".

There are many reasons we lose members;

- Poor club meetings
- Club not able to support the activities that are meaningful to club members
- Not providing relevant service
- Poor member orientation
- Lack of new member recruiting
- Same members being asked to serve in leadership roles due to the lack of other members not wanting to step up.

If any club would like me to come to speak and help out in getting Lions to serve in leadership roles or would like some training, please feel free to contact me anytime.

I look forward to serving with you, the Lions of District 44N.

PID Ed Farrington

it is actually beginning right now.” —Mattie Stepanek

## **VISION**

*a vivid, imaginative conception or anticipation*

We are all part of Lionism because we wish to reconcile our vision (that internal personal vision which relates to how we see ourselves in this world) with our view (that which we see around us, every day). We see people and situations and issues around us that would benefit from our individual and collective effort and we **step forward**.

We don't have to be a Lion to do this.

We can step forward as a member of our community and offer our assistance to others and this is certainly better than doing nothing. But when we join a group of people, such as the Lions, our singular participation is nurtured and encouraged and celebrated by the other members of the group, making the results many times more effective than we would be if we were acting separately. A group of Lions, shoulder to shoulder serve as support for each other when the effort seems overwhelming. When you might think of throwing in the towel, these dedicated and caring people allow you to draw inspiration from them much as you would draw life sustaining water from the well.

Be a part of the 100<sup>th</sup> Year Celebration coming your way. International President Bob Corlew will be in Manchester, NH on September 27<sup>th</sup> at 1pm. Please reserve an hour of your day to be a part of this kick-off celebration. Mid-Winter Convention, in late January of 2017, will continue the 100<sup>th</sup> year celebration. A parade down main street, during the summer of 2017 will continue the celebration and each District Governor's Spring Conventions in 2017 will add to the celebration of this special milestone in Lionism.

## The DogSight Project

A Program of the New Hampshire Lions  
Multiple District 44 – Health Services Board

### HOT DOGS!

This summer has been particularly challenging because of the high heat and humidity. It is essential that we walk even in hot weather in order to keep fit and able to walk as much as we need to. How do we do it? We walk very early in the day when the temps are low enough not to be dangerous, and the pavement hasn't been raised to burning by the hot sun. And we stay home when even the mornings are too hot. Keeping Rosie hydrated is tough – what they say about leading horses to water applies to dogs as well! Both Rosie and I get restless after a few days of enforced idleness, but that's better than the problems of extreme heat.

As always, thank you New Hampshire Lions for your support of all guide dogs, and in particular for your support of the DogSight Project and the Fidelco Guide Dog Foundation!!

Donations to the DogSight Project may be sent to **DSP Chair Linda Piekarski, 15 Edgewood Ave, Keene, NH 03431**. Please make checks payable to **LSHF** with **DSP** on the memo line. The independence a guide dog brings to a blind person is priceless. Your contribution gives that gift many times over. Thank you!

## We are so close to 100 Million Served !

Make sure to report your club's activities on LCI and to Phil Przybyszewski,  
44N Centennial Chair !!

Dear Lion,

As we approach our Centennial in 2017, we have so much to celebrate. This once-in-a-lifetime event commemorates not just our association but every Lion and club who has made a difference in the world. No matter where you are, there's an opportunity for each and every Lion to join the celebration.

### I encourage you to join the Celebration by supporting our three signature programs:

- Lead through service by hosting youth, vision, hunger and environmental projects to help us reach our Centennial Service Challenge goal of helping 100+ million people. Set a goal of hosting at least 1 service project for each.
- Invite for impact by asking family, friends and neighbors to serve with you as Lions and you'll earn recognition in the Centennial Celebration Membership Awards. Set a goal of adding 3 new members.
- Connect with community by planning a Legacy Project that commemorates the Centennial and provides a lasting gift to your community.

Let's work together to show the world that where there's a need, there's a Lion!

Very truly yours,

Chancellor Bob Corlew  
Your International President

## Lions Youth Services LYS Helps Give the Gift of Sight

LYS is a MC-44 board serving all Lions in our state. We welcome any Lion to come and be a part of our group. Currently we are looking for Lions to serve on a committee to plan new service projects. There will be four a year timed around November and March cabinet meetings, Mid-Winter and Spring conventions.

In August, LYS learned about a 14 year-old boy from Warren, who needed assistance purchasing a special eSight computerized reader. Hal has Stargardt's disease, a juvenile form of macular degeneration. After public appeals through WMUR-TV and Go-Fund-Me pages, falling a little short, LYS contributed \$250.00 to help Hal's family to be able to purchase this much needed device that was not covered by medical insurance.

Interested in learning more about starting a Leo's club? Starting in 2017, this will be recognized as part of earning the Club Excellence Award. Contact PDG Henry McKee or LYS President Marie Hall for more info.

It's not too late to purchase a Peace Poster Kit! Place your order directly on line before the October 1st deadline date! New this year: clubs who participate will earn a banner patch.

The next LYS meeting is on Wednesday, September 14<sup>th</sup> at 6:30 at the Palliativity Medical Group, 116 South River Road Unit D-2 in Bedford. Please RSVP Marie Hall for details and directions.

### **WHAT IS LIONS QUEST?**

Lions Quest is an International Program to focus on Youth development and leadership

It has lessons for Pre-school, after school, and grades 1-12

Younger students learn what it is and how to deal with Bullying while the intermediate levels deal with Respect of self and others.

High school students focus on Service Learning. Lions Serve, but that does not mean we implement service learning to do so.

I would be honored to discuss Quest with any club who might be interested in learning more about this component of Lions International

Please feel free to contact Ellis Ring 44H or me 44N.

INTERNATIONAL PRESIDENT

September 1, 2016

Dear Lions of New Hampshire:

Our centennial celebration is a time for all Lions to reflect on our history - the contributions of Lions who came before us, and to look toward our future.

We have shown through our Centennial Service Challenge that serving 200 million people annually is clearly within reach. As the needs of our communities continue to escalate, we must double down our efforts to meet those needs. With more than 47,000 clubs in communities around the world, we are uniquely qualified to serve at the local level as well as on a global basis.

Lions have responded enthusiastically to all aspects of our centennial celebration - through increased service, legacy projects, the centennial membership awards program and so much more.

This centennial bus tour provides me the opportunity to connect with Lions and local leaders throughout the Midwest and New England regions of the United States, and Ontario, Canada.

I look forward to meeting with you, seeing some of your signature projects, inducting new members and enjoying your fellowship on Tuesday, September 27<sup>th</sup> at 1 p.m. in downtown Manchester in Veterans Park.

Thank you for all your support and for all you do for others. Truly - where there's a need, there's a Lion!

Sincerely,
