your DISTRICT 44N NEWSLETTER

SERVE WITH PASSION

JUNE 2018, VOLUME 23, ISSUE 12

~ IN THIS ISSUE ~

Wow! This year passed way too fast! Sitting down to write what will be my last article for the newsletter as DG, I am reflecting on what we, as Lions, have accomplished this year. Meeting with all forty four Lions clubs and three Lioness clubs and hearing their stories, their successes and where they may have fell short and how they impacted their communities certainly was a highlight for me. Although every club is different than the next with their own personalities, the one constant with almost every club was the question of how do we get new members to join our club?

My answer to that is different now than what it was just a few short twelve months ago. It's way past due for us to change how our community sees us because we can no longer be the Lions of yesterday or we will become the Lions of yesterday. Our service projects and fundraisers need to be updated to reflect today's world with the ideas coming from today's generation. New "ideas" bring new members and new leaders. Change creates excitement and excitement is contagious and THAT is how we bring in new members to our great organization. It's time to really get creative. We need to try new things and share our successes with other clubs to keep the momentum going. We need to continue to evolve and encourage new ideas and new traditions. In other words, we need to be the service organization of the "Next Century".

Thank you Lions of 44N, it has been an honor to serve this year as your District Governor. It has been an incredible journey worth every minute and every mile.

I look forward to continue serving in other roles and to keep this thing we call "Lionism" strong.

~ DG Eric ~

From the Editor:

Dear Fellow Lions:

First of all, I would like to take this opportunity to thank all of you for all that you do!

I have had the opportunity to bring this newsletter to you with all of your help in putting it together each month. I have also had the experience of getting to know you through your input and submitted articles as well as all of our fine leaders in 44N even a few in 44H.

I do hope that you will continue to share your club's activities and photos with me so that I can share them via this newsletter.

I will be continuing this newsletter for DGE Fred Plett and look forward to getting to know him, his passion and his leadership goals as we move on into the next Lion year.

A few clubs during June and July tend not to be as active and may not hold meetings but I would like to suggest that during this time, it may be a great opportunity to reach out to prospective new members as you are out and about or share or participate in summer activities in your own community.

I look forward to all the new adventures and to all the service we provide to those in need!

I also look forward to DG Eric's homecoming luncheon June 9th and hope to see many of you there!

If you have anything to share or report about anything your club is doing or will be doing, please email me anytime, even if it is a few words!

Thank you for sharing!
Have a great summer!

Lions Clubs International

I would like to share this special fee waiver announcement with you as a district and international leader. I will also be sending the following message to your club leaders and then to members. Please join me in encouraging our clubs to take advantage of this unique opportunity so we can make June our best membership month of all time. We're so close to our historic goal of 1.5 million members, so let's keep pushing to the end of the Lion year.

Entrance fees waived June 7-30!

To close out our incredible Centennial Celebration in style, **we're waiving entrance fees for new members who join between June 7 and June 30!** For more than 100 years, we've delivered hope and change to the world. Now, as we prepare for an innovative second century of service, there has never been a more exciting time become a Lion, and we want to make it as easy as possible for new members to join us.

So how does it work?

- **Invite** family and friends to join your club between June 7 and June 30.
- **Report** your new member to Lions International by 11:59 p.m. CDT on Saturday, June 30.
- **Save** money when your club billing automatically reflects this special promotion
- **Earn** a Centennial Sponsor Pin for inviting a new member, and wear it with pride

This is a limited offer that does not apply to new members added prior to June 7 or after June 30, 2018. No exceptions will be approved. Charter and transfer charter fees do not qualify for this special waiver. If you have any questions, please contact membershipdev@lionsclubs.org. Invite your family and friends to join the greatest service organization in the world as we write the history of our second century together.

Sincerely,
Dr. Naresh Aggarwal
Your International President

District Governor's Challenge!

Yes, you heard right.....

For every new member brought in and added to your team's roster in the month of June, the DG will give 2 tickets to the Fisher Cats Lions Awareness Night on August 25 as a signing bonus.

One for the sponsor and one for the new Lion!
They may even be able to be inducted on the field before the game!

So don't strike out....

Go out and find the next all-star Lion!

Musings from
DGE Fred Plett

Spring Convention is behind us, and we are in the home stretch for this Lions year. However, we still have a month to go. Let's put a final push on so we end the year with positive growth and with a sense of optimism for the future.

I do thank the District for my election as District Governor-elect.

Next month I will expand on the 2018-2019 goals and expectations, but let's not get ahead of ourselves.

This month should be focused on ending this year with a bang supporting DG Eric Lindberg and ourselves.

Yours in Lions,

Fred Plett,
DGE, District 44N

Our year is coming to an end. We have had our Spring Convention with ID Bruce Beck and his very engaging wife Erin. It was fun and inspiring. But there are still installations of officers, service projects, fundraisers and a lot of fun for the remainder of this month and then off to Las Vegas! We are still working on the zipline ride through downtown! Watch for it on Facebook!

Thank you to everyone for all your support and your votes to First Vice District Governor. I promise to do my best for District 44N. Our very own Fred Plett was elected to DGE and we are all excited to be working with him in the coming year. He will have a great team to help him and I know it will be a great year.

And thank you to DG Eric. You continued to strengthen the District and engage Lions at all your visitations, conventions, zone meetings and everywhere you went. (yes, I am very biased!). Great Job!!

As you see in the above picture, "Never let the fear of striking out keep you from playing the game" - Babe Ruth. As Lions we need to remember that. Always strive for the next level and don't be afraid to have a strike out. Go up to that next level of leadership, try that new service project, ask that person if they would like to be a Lion. You can't hit a home run if you don't even step up to bat! All of us need to step up! And remember, there is a whole team of Lions here to help you.

Sue Lindberg, FVDGE

Thank you to many Lions who attended the Spring Conventions for both Districts – it was a pleasure to see many Lions faces there. However, many Lions were missed !

I ask each of you to stop and ask yourself the following:

- ♥ When was the last time you attended a Lions Spring Convention ?
- ♥ Why have I not attended a Spring Convention ?
- ♥ How can I attend a Spring Convention ?
- ♥ Where will the next Spring Convention be held ?
- ♥ What is the Lions Spring Convention all about ??

I CHALLENGE each Lion in MD44 to discuss these questions with your Home Club President, your Zone Chair and/or your District Leadership team.

Just as membership is critical for your home clubs, Lions attendance at the cabinet meetings AND Spring Conventions are equally as important. Ask yourself, why did you become a Lion, I am sure it was to help your community. By attending the important quarterly cabinet meeting and annual Spring Conventions – you will gain more knowledge, more education, more important information which impacts your club which ultimately impacts your community !

We Did It!

I was so very proud to represent the Lions of New Hampshire MD44 at the Fidelco Lions Appreciation Day and Open House this May. Rosie and I presented the DogSight Project's final donation in front of Lions from the New England states. With NELC incorporating the Fidelco event into their weekend activities, the event was very well attended despite the rain. All of New England knows that New Hampshire Lions value Fidelco's work.

In the following articles, I will be chronicling the adventures of a puppy raiser. As they say, Watch This Space!!

To all our loyal DogSight supporters – thank you for your generosity!

Donations may be sent at any time to DSP Chair Linda Piekarski, 15 Edgewood Ave, Keene, NH 03431. Please make checks payable to LSHF with DSP on the memo line. The independence a guide dog brings to a blind person is priceless. Your contribution gives that gift many times over. Thank you!

Health Services of NH
(formerly HSB)

As our Lions year is wrapping up, we would like to make a last appeal to get in any reports that you may have forgotten to send in this year for the OKS Screenings. We gave ourselves a **BIG** goal to screen 30,000 children this year and we would like to know if we met or exceeded that goal.

DogSight had a goal of raising \$15,000 for Fidelco this year. At the Open House on May 19, Lion Linda Piekarski presented them with the second check of this year. The total of the two was \$20,200! Not only that but the Goffstown Lions Club donated an additional \$5,000 which was matched by two clubs in Connecticut and with a LCIF grant was able to fund one of the Fidelco vans that they transport the guide dogs in. This van will have the names of the three clubs that donated to them.

Vision Weekend's goal was to be able to invite everyone who was invited last year. They also exceeded their goal. There were new participants and some new Lion volunteers.. Everyone had a great time.

Hearing Screening Coordinators are continuing to look for newer/better screening equipment. There will be more news on that next year.

HSNH has also had a large increase in the amount of people we help with eyeglass assistance. Many times we will work with the nearest club to help. If there is no club in the area or the nearest club is unable to help, we have been able to help directly.

All in all, HSNH has had a successful year. Our members have worked hard to meet their goals and with the clubs help, we have all impacted many members of our communities and made lives better!

If you want to make a true impact on people in your community, consider being a part of Health Services! Please remember: **Submit your vision screening reports!**

"Stories from the Heart"

Lions Serving the World
One Person at a Time

Is a book by Past International Director Robert Littlefield that relays how service to those in need transforms lives and gives individuals a sense of purpose. The designation "from the heart" was carefully chosen because it identifies a place of origin.

Using stories from the heart to relay how service to those in need transforms lives and creates a greater appreciation for the role that helping others can have on an individual's sense of purpose.

These stories detail Lions Clubs International and its impact on the world over the past one hundred years.

Celebrate Lions Clubs International Foundation's (LCIF's) 50th anniversary by ordering your copy; a portion of the proceeds will benefit LCIF.

Be sure to join us on Monday, July 2, 2018, at PID Littlefield's campfire discussion at the 101st Lions Clubs International Convention in Las Vegas to learn more about the book and its stories.

Immediately following the discussion, PID Littlefield will sign copies of his book in the Exhibit Hall.

Don't miss this unique opportunity!

ZONE 2 APPRECIATION

I would like to take this opportunity to express my thanks and appreciation to all of our Lion members in Zone 2.

From our various fundraisers such as Penny Sales, Craft Fairs, Concession Stand at Milford Pumpkin Festival, Merrimack Lions Club Golf Tournament, to food donations and spaghetti dinners, to service projects, and too many more to mention, I know that we have had a powerful impact in our respective communities and beyond. In addition to the respective activities and projects within each club, I am very proud that we came together as a team to collaborate, select and then implement our Zone 2 Project for this lion's year 2017-2018 – which resulted in supporting two half-sponsorships to assist two individuals to go to Camp Carefree this coming summer as part of the Centennial Lion challenge regarding Diabetes. It was my pleasure and honor to be the Zone Chair for Zone 2 this Lion's year 2017-2018.

Thank you for all that each of you have done and will continue to do to help those in need.

We Serve.

The **CHESTERFIELD LIONS** 10 members of the Chesterfield Lions Club beat the weather and cleaned up route 63 for our Spring Roadside Clean Up. We collected 12 bags of assorted items. Luckily, the rain held and the bugs were not too bad while we worked. Our Golf Committee continues to work hard planning and getting ready for our 20th Anniversary Golf Tournament on July 10th. Our Scholarship Committee has chosen 3 deserving Seniors graduating from Keene High School and we will honor them at our last meeting in June. We are saddened to lose one of our "Honorary" members this past week. King Lion Pam's father Bill passed away on Saturday the 12th. He was always willing to lend a helping hand to this, his adoptive club, along with his own Keene club. The club had a working meeting on May 1st preparing 15 new flags to be replaced in Chesterfield, as our flags will be put up Memorial Day weekend in the towns of Chesterfield, Spofford, and West Chesterfield. They will beautify our area until Veterans Day. Two members attended the DARE graduation of our 6th grade class at Chesterfield school this past week. Our new DARE Officer, Officer Donna, did a terrific job and is eager to expand the program to other grade levels!
