Hello Lions,

Musings from FVDG Fred Plett

As the saying goes, "March comes in like a Lion". It is "March Membership Madness" time again and I hope all our clubs will participate in our friendly competition to increase the membership in our district. Just think of the all possibilities that your club could accomplish with added members, new ideas, more helping hands and new leaders. This is just a few of the advantages to additional members.

At this time, we have visited most of the clubs throughout the District and have heard about all the great projects that each club is doing; and sometimes their dilemmas about trying to do more because of limited members to help. With larger and stronger clubs, Lions of New Hampshire could accomplish so much more service to those who benefit and truly need what we can offer.

I look forward to hearing about your success in bringing more Lions into the fold and increasing our service impact within our communities.

Hope to see everyone at the upcoming Cabinet Meeting on March 11 in Plymouth at the Common Man Restaurant.

See you all there!
DG Eric

I am writing this as we approach March, with 4 months left in the year. By now, clubs should be having nomination committees developing a new slate of officers, with elections in April, just in time for training of officers to be held by Multiple District 44 at Delta Dental in Concord on April 14th.

I often hear club officers say they don't have enough information, when it is readily available through the officer training, the Roar and your District Hierarchy, not to mention Lions International, where there is a plethora of information at your fingertips.

March also starts March madness, a contest between clubs to increase membership.

As of this moment the District, for the year, is down 17 members. We would love to end the year in plus territory, because we know then that the clubs will survive and thrive, meaningful service projects will get done, and the future of the District remains secure. The more oars in the water, the faster and further the "Ark of Lionism" can go!

I am calling around to establish next year's cabinet. Please consider saying "yes" when asked to fill a position. Many hands make light work.

Yours in Lions,
Fred Plett

MARCH MEMBERSHIP MADNESS!

Don't tune out yet!! Keep reading! I could write about all the things we always say about how increasing membership can help our clubs, but you have all heard that.

I would like to talk about how we can increase the fellowship by increasing our membership.

As you all know, we have added a few clubs in the last year. Winchester, Pemi-Baker, and now Jaffrey-Rindge. And we are working on more. If you have been to a Mid-Winter Convention, cabinet meetings, zone meetings or multiple district board meetings, you have met members from these clubs. They are fun, enthusiastic, and friendly. They have started to venture outside of their new clubs to get involved everywhere! They have added new energy to everything they do. They may not know exactly how Lions do things, but they are willing to learn. And many of them are becoming our new friends. So don't think about this as adding to our membership and strengthening the clubs and districts. Think about this as adding new friends! Everyone can use new friends.

Go have fun and make new friends!!
Sue Lindberg

Hello March Lions:

The month of March has just blown in, to say that Spring will soon begin; March roars in like a Lion, with a bluster and a slam, and tiptoes out like a quiet little lamb.

March Madness will again take place this year with anticipation to bring in new members to our great Lions club organization. I attended a webinar last Thursday and learned the old phrase "have a membership drive" has been replaced with "**Host a Membership Growth Event**". PID Jerome Thompson stated many ideas and info on the LCI website in the Membership Tool Box section from preparing to engage new members, club quality initiative, recruitment ideas, your club your way, to blueprint for a stronger club. We wish all the clubs the best to be a shaker and mover of their community.

March 11, 2018 is the next **Cabinet Meeting** to be held at the Common Man Restaurant on 231 Main Street in Plymouth, NH. Cost is \$22 per person. Registration is at 10—10:45 am, meeting starts promptly at 10:45 am. For ALL that register by March 1 there will be a **FREE** lottery ticket drawing. **Good luck** to all. Send payment to CS Virginia Edwards, PO Box 311, Danbury, NH 03230. Hope to see you all there. This will be our last Cabinet Meeting for Eric's year, let's have a good showing. March 11 Daylight Savings time begins as well, we are free from the expression, "it's dark before I even leave work".

In the 7th century, **St. Patrick's Day** was only celebrated in Ireland, and **green** wasn't even part of the equation. Early depictions of St. Patrick show him wearing blue, the official color of the Order of St. Patrick, part of Ireland's chivalry. So where did the **green** come from you ask? Ireland's nickname is the **Emerald Isle**, the **green** in the flag represents the Catholics, and the orange represents the Protestants, and the white symbolizes the peace between the two religions. Speaking of St. Patrick's Day, **Enfield-Mascoma Lioness** club will be holding their annual **St. Patrick's dinner** at the Enfield Community Center in Enfield, NH at 5 pm. Their meal is scrumptious, come & enjoy, \$14 each.

And let us not forget **March 20th**, the first day of Spring. Much anticipated time of year for many. Good-Bye Winter, as you move on out we will probably give a shout, don't hurry back!

UPCOMING DATES:

- APR 14 - Training sessions at Delta Dental, Concord
- APR 27-29 - Vision Weekend, Courtyard Marriott, Nashua
- MAY 11-13 - Spring Convention, Grand Hotel, N Conway

"The greatest fear in the world is of the opinions of others, and the moment you are unafraid of the crowd, you are no longer a sheep, you become a Lion, a great roar arises in your heart, the roar of "Freedom".

Hello Fellow Lions !

Spring is around the corner....
Hope to see many Lions
"springing" to attend the District
Cabinet meetings in each
District! Both meetings will be

sure to add a spring to your step – from a motivational speaker to a dynamic service project.

The leadership teams have been working hard to help the clubs in each District with training, mentorship, membership and having FUN.

Hope to see many Lions at the cabinet meetings – remember, ask a new Lion in your club to join you ! Help make the difference not only in your community but with a new member !

LIONS SIGHT & HEARING FOUNDATION OF NH, INC.

GRANITE STATE FELLOW

In January 2002, PCC Peter DeMoya, implemented a fundraising program for LSHF. This fundraiser he named as the GRANITE STATE FELLOW.

You can recognize an outstanding member of your Lions club or a person in your community with a Granite State or Progressive Granite State Fellow. Many clubs recognize an outgoing president with this award. This recognition comes with a beautiful plaque, a lapel pin and a letter honoring the recipient.

By making a donation of \$500 to LSHF you not only give recognition but you are aiding a NH citizen who is in need of our services.

Donations go directly into the LSHF Endowment. Clubs may donate to LSHF in \$100 increments for up to five years with a designation on the donation memo for a Granite State Fellow.

Currently, there are 383 Granite State Fellows and 16 Progressive Granite State Fellows.

Applications are online at nhlions.org

A Program of the
New Hampshire Lions
Multiple District 44
Health Services Board

Thank You, Goffstown!

Fidelco uses specialized vans to transport dogs and trainers to training sites and client homes. The vans are sized to accommodate the large crates needed for the dogs, often as many as four at a time.

This year at Mid-Winter Convention, the Goffstown Lions Club made a \$5000 donation to complete a matching LCIF grant with the Haddam (CT) Lions Club and Killingworth (CT) Lions Charities, Inc. The Lions Logo and the names of these three clubs will be on the van for all to see for the next 12 to 15 years. That's a pretty good return on investment!!

If your club is interested in being a part of a matching LCIF grant, please let me know. Perhaps we can have other vans with New Hampshire Lions Club names traveling the country!

To all our loyal DogSight supporters – thank you for your generosity at Mid-Winter!

Donations may be sent at any time to DSP Chair Linda Piekarski, 15 Edgewood Ave, Keene, NH 03431. Please make checks payable to LSHF with DSP on the memo line. The independence a guide dog brings to a blind person is priceless. Your contribution gives that gift many times over. Thank you!

Stories to Warm Your Heart

This month our heartwarming story features all of MD-44! Each and every Lion in the Multiple District is a hero in their own way. And each and every Lion is making an impact to change peoples' lives for the better.

If you attended the Mid-Winter Convention, you heard stories and personal accounts from each area that HSNH serves. If you were paying attention, you may have also seen those speaking and even some in the audience getting choked up. Each person who spoke was speaking from their heart. They were speaking about a project and people that they love. It certainly showed.

But then you all showed your support and generosity to Vision Weekend, OKS Kidsight, and DogSight when you started to bring up your checks. You could see how awestruck the speakers were with how generous you were and how that will in turn support so much good in New Hampshire.

You and your club may have only thought, "We only gave \$50" or \$100 or \$5,000. Every contribution is impressive, and when pooled together the impact is enormous!

So, you are all heroes and are making a difference in your communities in a huge way!

Thank you for all you do to make the world a better place.

Remember: Submit your vision screening reports!

THE KEENE LIONS

“The Little Mermaid” was Keene Lions club’s 66th annual production. Another great performance!

Deb Hamel, President of the Keene Lions Club, Keene NH was awarded the *Lions International President's Certificate of Appreciation* in recognition of Distinguished Achievements in Fulfilling the Mission of Lions Clubs International (the 4th highest award Lions Club International offers to its members) by Robert Libin, Past International Director 2015-2017.

“It is a rare occasion when I am speechless, receiving this distinction absolutely floored me. What an honor!”

“These awards are few and far between,” Libin stated, “Why Deb? Well, I have lived in Keene for over 10 years (visited for the past 30+ on and off) and don't remember ever seeing so much publicity. The Keene Lions are in the newspaper more now than they have been in years and they are even on the local radio. This is so very important as it shows the community, the Keene Lions exist. What is so important about the publicity is that it is one of the major ways for a club to connect with the community. The Lions get their members, their funding, and most of all, their projects from the community. If the community doesn't know the Lions exist, or are just there doing one or two things a year, their membership falls, their fundraising is less, and the Lions don't discover the real needs of the community as easily. Publicity is what helps make that difference. Deb, as the club President is the person responsible for all the activities of the club, but in this case, is also the one doing the public relations and that means publicity. I can think of no better person to present than her.” The four highest awards that a Lion can earn from the Association in order are; The Ambassador of Goodwill, the International President's medal, the International Leadership medal, and finally the International President's Certificate of Appreciation.

OPENING EYES

Research has shown that among Special Olympics athletes, 68 percent have not had an eye examination in three years, 37 percent are in need of eyeglasses and 18 percent wear clinically-incorrect eyeglasses. The disabled are a largely underserved group when it comes to vision care. They deserve, and should have access to, quality care that is appropriate to their particular needs. That is why LCIF and Special Olympics began a partnership in 2001 to provide free vision screenings at select Special Olympics sporting events worldwide. Athletes also receive diagnoses for vision-related problems, corrective and protective eyewear, and are taught how to take better care of their eyes. A successful collaborative effort, the Special Olympics-Lions Clubs International Opening Eyes program relies on thousands of volunteer Lions, doctors, vision specialists and educators. More than 370,050 athletes have been screened, with prescription eyewear provided to 161,000 athletes. Since the partnership began, the Foundation has awarded US\$23 million in grant funding.

NH SPECIAL OLYMPICS OPENING EYES VISION SCREENING JUNE 2, 2018

NEED LION VOLUNTEERS

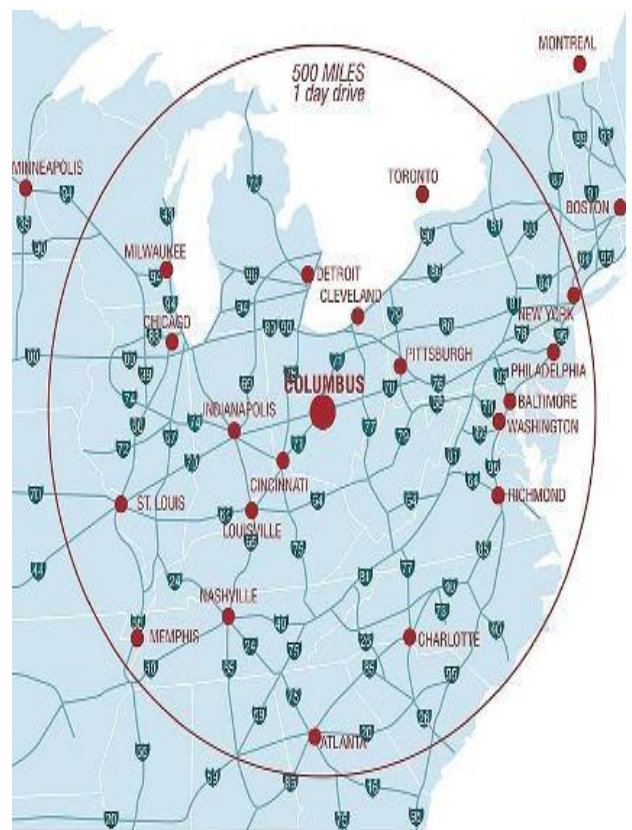

THIS EVENT WILL TAKE PLACE AT
UNH IN DURHAM DURING THE
SPECIAL OLYMPICS SUMMER GAMES
BETWEEN 9:00AM AND 4:00PM

This will be the 16th year of the Special Olympics Opening Eyes Program here in NH. In 2016 at UNH, 152 athletes were screened and 92 athletes received prescription eye glasses including sports glasses at no charge. The Lion volunteers have helped to make this event a success over the past 15 years and NH Special Olympics and "Opening Eyes" thank all the Lion Volunteers.

The Lion volunteers help with registration and taking histories, visual acuities, refractions and help the athletes to find the different stations.

This year we will be using the Spot Vision Screener again. Lions also help with set up the day before and tear down and what ever else needs to be done.
