"We Serve, However Said"

2018 JULY

VOL 24, ISSUE 1

M usings from DGE Fred Plett

This is being written before departure to Las Vegas and my final training and installation as your District Governor. As this is published, I will still be a couple of days away from being installed. Hence the DGE title. What we can expect in 2018-2019 is largely a continuation of the wonderful leadership we as a District have been blessed with over the past few years, with essentially the same outstanding people, albeit with some position reshuffling. However, we have mostly all new Zone Chairs, which will increase the pool of talent for higher office. Thanks to all who agreed to serve on this cabinet. The District Leadership is grateful for your service. The theme this year is "We Serve, However Said". The personal pin has that theme, and a couple of crossed lightning bolts signifying my career as a Power Engineer, an electric utility guy.

A corollary to "we serve, however said" is "we serve, however done", in other words, "your club, your way". Let's look at how we serve our respective communities and ask ourselves if what we do is relevant to the community, and whether what we do could be freshened, changed up, or modified in some way to make the service more relevant, exciting to our current membership and attractive to new, younger, potential prospects.

The training the District has provided over the last couple of years has been excellent, and we will strive to make it even better this year and going forward, with more subjects. However, to be effective, we need club officers and others to attend and take advantage. We will publicize the dates well in advance. The leadership team early in the year will plan all dates so that we can push the training with enough advance warning.

The first cabinet meeting this year will be held August 5th at the Fireside Inn & Suites in West Lebanon, NH. Please look for the sign-up sheet included in this Roar. Since we will be in the vicinity of Dartmouth-Hitchcock, we have arranged for a speaker from D-H on Childhood Cancer, a new signature project for Lions Clubs International. I look forward to seeing many of you there, to start this year off with a productive, positive bang!

Lions International is making history this weekend at the Lions International Convention in Las Vegas! Congratulations to Lion Gudrun Yngvadottir of Gardabaer, Iceland who will become the first ever female Lions Clubs International President (2018-2019)!

Exciting times for Lions!

“We are not a team because we work together. We are a team because we respect, trust, and care for each other.”
 Vaia Alfshar

Over the last few years you have heard us refer to our “Leadership Team” on many occasions. It is not necessarily positions we hold with titles, it is positions we hold in terms of respect and trust with each other. We do truly all care about each other and are constantly helping each other. And in case you didn't

notice we have a lot of fun doing it.

Each year, members of the “Leadership Team” change a bit. New people step up and others step back a bit. We are always looking for new people to join this team and enjoy the mentoring and camaraderie we have all enjoyed. There is a lot of experience and knowledge among this team and we are eager to share.

This year is no different. You will see many of the same faces along with some new ones. These new Lions have agreed to take a step forward. For many, this is a very big step and we applaud you for doing this. It can be scary but we are here to help you along, just ask when you need it.

I am looking forward to working with DG Fred and his team this year. He has some great people working with him and I will be proud to be part of it.

I have been joking with him that my job this year is “and all other duties as assigned by your supervisor”. He is my supervisor!! He has already started asking me to do things and that is fantastic. You will be seeing DG Fred and his team out and about once we all get back from Las Vegas. So check the Roar for information. Save the dates of the 1st Cabinet Meeting on August 5 and the Fisher Cat Fun Night with the Lions on August 25th. There will be many more events coming! So keep reading the ROAR!!

PUPPY RAISING!!!

Two charter members of the Winchester Centennial Lions Club will soon be raising a Fidelco puppy and we will be chronicling their journey in our column. They qualified to become a puppy raising family this Spring. Like becoming a Fidelco client, Fidelco puppy raisers go through a thorough application process.

Theresa and Kerry Ford visited Fidelco several times to observe puppy raising classes and attend orientation. Fidelco even visited their home to help them ensure a safe environment for a new and curious puppy. Sometime this summer, and maybe it's already happened, the litter will be born that has the puppy the Fords will raise. Stay tuned!!!

You can help us jump-start the new Lions year with a summer donation to the DogSight Project! Donations may be sent to:

DSP Chair Linda Piekarski, 15 Edgewood Ave, Keene, NH 03431. Please make checks payable to LSHF with DSP on the memo line.

The independence a guide dog brings to a blind person is priceless. Your contribution gives that gift many times over. Thank you!

Stories from the Heart

Lions Serving the World
One Person at a Time

Is a book by Past International Director Robert Littlefield that relays how service to those in need transforms lives and gives individuals a sense of purpose. The designation "from the heart" was carefully chosen because it identifies a place of origin.

Using stories from the heart to relay how service to those in need transforms lives and creates a greater appreciation for the role that helping others can have on an individual's sense of purpose. These stories detail Lions Clubs International and its impact on the world over the past one hundred years.

Celebrate Lions Clubs International Foundation's (LCIF's) 50th anniversary by ordering your copy; a portion of the proceeds will benefit LCIF.

On Monday, July 2, 2018, during PID Littlefield's campfire discussion at the 101st Lions Clubs International Convention in Las Vegas he will discuss his book and its stories.

If you happen to be in Las Vegas, you will have the opportunity to meet him and have PID Littlefield sign copies of his book in the Exhibit Hall.

Don't miss this unique opportunity!

LCIF Newsletter

Lions, my time as the chairman of Lions Clubs International Foundation (LCIF) has been an experience I'll never forget. In my travels, I've witnessed such strong character in Lions, something that does not surprise me, but is still incredible to see in action. Selflessness, perseverance, dedication, and compassion are the words that come to mind when thinking about the character of a Lion.

I want to extend my gratitude to all Lions. The life-changing service projects we perform would not be possible without you. I am consistently in awe of your outstanding dedication to service. The world is a better place because of your efforts, and it does not go unnoticed.

Speaking of making the world a better place, LCIF now has even more ways to empower the service of Lions. We're launching two new grant opportunities, Leo Grants and District and Club Community Impact Grants, which you can read more about on LCIF.org. We're also expanding our global causes to include diabetes, childhood cancer, the environment and hunger in addition to sight, youth, disaster relief and humanitarian service. All of this will be made possible by our most ambitious capital fundraising campaign yet. I encourage you to watch for more information soon on how you can be a part of this effort and empower the service of Lions.

As I reflect on the last year, I feel confident that Lions will continue to lead humanitarian causes with strength, compassion, and urgency. Remember, where there is a need, there is a Lion. Whether your own community needs a helping hand, or a community across the world is in need, Lions can work together to change someone's life for the better.

Sincerely,

*Chancellor Bob Corlew
Chairman, Lions Clubs International Foundation*
