2019 JUNE

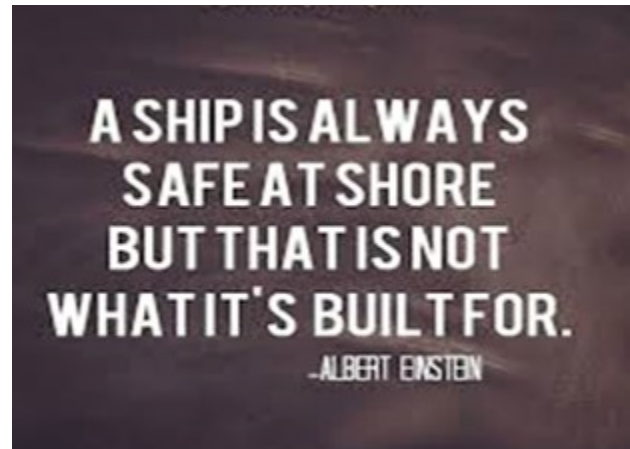

VOL 24, ISSUE 12

Musings from DG Fred Plett

This is the last article this year as District Governor before the reins are turned over to the new administration. Thank you, Lions of District 44N. Thank you for the service you have been rendering all year. Thank you for hospitality and camaraderie you have shown the leadership team. Thank you for your concern about your clubs and future directions. Thank you, those of you who made it to Spring Convention, for your support and friendship.

Congratulations to Lion Myla Everett for her receipt at Spring Convention of the 4th highest award that can be given by LCI, a Presidential Certificate of Appreciation. Another, to somebody not there, was presented, but it won't be published until the recipient is made aware of it. Congratulations to Lion Harold Armstrong for receiving the 2nd highest award in LCI, a Presidential Medal. Well deserved! A Leadership medal recipient will be publicized once the recipient is made aware.

And one final, major thank you - from the bottom of my heart for a very successful District Camp Allen Fundraising project. We collectively raised **\$10,700** as of this writing, exceeding our \$10,000 goal! And we have heard informally that our grant request to LCIF for a matching \$10,000 grant was approved. A formal letter and approval is in this publication on page 2. So this fundraiser was a smash success, and Camp Allen will receive some badly needed equipment. The items collected for Camp Allen at Spring Convention were dropped off there. The golf carts they have are inoperable, so the new ones are desperately needed. Their John Deere Gator also went to equipment heaven, so they had no choice but to get a replacement Kubota already, but these funds will provide a badly needed second one. A ceremony will be arranged at Camp Allen for the turnover of the new equipment. This fundraiser reflects very well on all of you, for your generosity and care. Let's finish this last month with a bang! We serve, however said ... and however done.

CAMP ALLEN SERVICE PROJECT

Dear Lions,

On behalf of Lions Clubs International Foundation (LCIF), congratulations on your project being awarded a grant! Your dedication to humanitarian service is outstanding and you exemplify the Lions' motto, "We Serve."

For more than 50 years, our Foundation has awarded grants to elevate the service of Lions. In that time, we have awarded more than 13,000 grants totaling over US\$1 billion to support the compassionate work of Lions around the world. This grant was made possible entirely by donations to LCIF. Use your grant judiciously and serve with pride. LCIF's reputation as the best converter of funds to service depends on how you make the most of this grant.

I also want to thank you for your support of our Foundation. LCIF is the charitable arm of Lions Clubs International (LCI), empowering humanitarian work through financial support since 1968. This funding is made possible by Lions; the general public; and corporate, foundation and government partners. To build a future promising a better world, LCIF will increase our impact in protecting vision, supporting youth, providing disaster relief, and creating programs that address the needs of at-risk and vulnerable populations. LCIF will also reduce the prevalence of diabetes and improve quality of life for those diagnosed, and expand our global causes to include hunger, childhood cancer, and the environment. Learn more at lcif.org.

Keep in mind your project results are critical to the continuation of our grants and programs. Be sure to carefully report your outcomes. Also, share stories and pictures to the Lions and people around you. Great service like your project is the best way to spread the message of Lions Clubs International Foundation. I wish you all the best for your project; I'll be eager to hear about the positive change you create.

United in Action through the Power of Each

Sincerely,

Dr. Naresh Aggarwal
Chairman, Lions Clubs International Foundation

Dear Lions of District 44-N,

I am pleased to inform you that LCIF approved this grant in the amount of US\$10,000 during this month's board meeting. The official award letter and grant agreement will be sent in the coming weeks. The email will be sent by my department assistant, Kourtney Green. The district has 6 months from the date of approval (May 10, 2019) to collect all the local matching funding. If there are any questions on the post approval process, please let me know.

Regards,

KaSondra

Dear Lion Friends,

On behalf of the campers, staff, and Board of Directors of Camp Allen I want to thank you for the gift of \$10,700 from various clubs throughout the district for the purchase of new vehicles. Golf carts are vital to our camp program as it helps us complete essential tasks, but more importantly help individuals who need mobility support get to some of the more challenging locations around camp. Our current vehicles have served us well, but after 10+ years of use it was time for them to be replaced and we are grateful that our Lion friends are so very generous.

On a personal note, I would like to thank District Governor Fred Plett and his team for their hard work in securing a matching grant. I am not only honored by the donation of money for projects at Camp Allen, but for the many years of volunteer service. Whether it is grilling on a check-in day or weeding our garden, your efforts are essential to the Camp Allen experience that all of our campers and their families enjoy.

I cannot thank you enough for all you have done for our campers, staff, and families and look forward to our mutual collaboration in the future.

With Warm Wishes,

Michael Constance

WE ARE GREAT!!

If the definition of greatness is service, then we are all great! This is the backbone of our organization. Did you know that our district has

already logged over 26,000 service hours by the time you read this? That means that we are averaging over 23 hours per member! Some do more, some do less but we are all doing what we can to make our communities great places to live.

You hear so much about Membership and Leadership that sometimes we forget that at our heart we are all about the service. This is what brings in new members, encourages members to step up into leadership and keeps our members year after year. Without the moments that touch our souls and knowing we make a difference in so many lives, no one would stay a member very long.

When planning your next service project go out and ask people who are not Lions yet to come help you. Give them a job that makes them want to come back. When you see that gleam in their eye, then you can ask them to join us.

Now some housekeeping, there are a few clubs who have not filled out their PU-101 on MyLCI listing the coming year's officers. Please get this done!

August District Social (cabinet meeting) will be on August 11 at Edward MacDowell Lake in Peterborough. Wear your brightest, most flamboyant summer shirts or Lions gear. See the flyer on page 28 of this newsletter. We are still working on some details that will be in the next ROAR. Come ready to have FUN!!

Let's all wish the NH Lions going to Milan, Italy to the LCI convention have an enjoyable, safe and rewarding convention.

All NH Lions and Clubs let's get behind these 2 new District Governors for Lions Year 2019-2020 to make their year the best ever.

Thanks

To Lions of District 44N:

Here we are with one month left in the Lions year. This is the time of year when clubs should have filled officer positions for the 2019-20 Lions year. I hope you have filled your PU101, this was due by May 15th.

It's also a great time to consider awarding your outgoing officers and other club members with a Melvin Jones Fellowship. The Fellowship can also be given to an individual or a business in the community.

It was great to see so many Lions at the Spring Convention in North Conway, held May 3-5.

CONGRATULATIONS to Sue Lindberg from the Brookline Club for being elected as our new District Governor for 2019-20, also to Virginia Edwards of the Andover Lions for being elected to the office of Second Vice District Governor. Congratulations to DG Fred Plett for a great year.

It was a great pleasure to attend the District 44H convention, congratulations to Steve Middlemiss, Marie Hall and Bob Gustafson for being elected to be leadership of District 44H.

Earn Recognition for Achieving Membership Goals

The Story of Leos

Leos serve. It's what they've done since 1957 when the first Leos club was formed in Pennsylvania, USA. Now, over 50 years from their beginning, Leos have grown into a dynamic force for good--actively providing their communities and the world with kindness and service. And this is just the start. The good Leos can offer is endless. The success of Leo clubs is a crucial part of the success of Lions Clubs International. Leos are the ones who will carry our great story into the future and improve upon it.

For Leos, the future is now

It's easy to show your support for Leos worldwide:

1. Grab our social sharing card at lionsclubs.org/leos.
2. Post it on Facebook, Twitter, Instagram or anywhere else you can reach a wide audience.
3. Use the hashtag #TheFutureIsLeo.

Visit lionsclubs.org/leos now, and learn more about exciting new opportunities we're creating for Leos. After months of engaging with thousands of Leos, we learned that the vast majority of Omegas—84% according to a recent survey—are interested in some form of permanent membership. We're excited to move toward this goal together. So, within the next year, we hope to launch a membership pathway for Leos that elevates their voices, their service, and their desire to lead.

Leos and Lions stand to gain a lot from each other. Let's come together in our mission of service.

USA/Canada Leo Leadership Forum Mesa, Arizona, July 24 – 28, 2019

The USA/Canada Leo Leadership Foundation is excited to announce that the **3rd USA/Canada Leo Leadership Forum** will take place from **July 24th to July 28th, 2019** in Mesa, Arizona at the newly renovated Hilton Phoenix/Mesa. Leos will develop leadership skills while participating in workshops facilitated by Lions and Leos experts in various topics. Each workshop will end with a small quiz that will earn the Leos credits to earn their diploma from our High School Program. We will also be providing a Leo Advisor Workshop, Leo Advisor Round-table discussion with LCI staff, and Lions Seminar for Parents. After all workshops, our Leos will engage with Leos from all over the United States, Canada, and Multiple District 60 (Islands of the Caribbean) in fun activities during the week-long forum. These fun activities will include a tour of the host city and a day of service at the Arizona Lions Sight and Hearing Center.

REGISTRATION is NOW OPEN for the 3rd USA/Canada Leo Leadership Forum.

If you have any question, please email info@leosforum.org and one of our team members will respond immediately. See you in Arizona!

Sincerely,
Lion Pablo Romano, President

To Lions of District 44N:

This is the time of year when clubs should be filling officer positions for the 2019-20 Lions year. It's also a great time to consider awarding your outgoing officers and other club members with a Melvin Jones Fellowship. The Fellowship can also be given to an individual or a business in the community. If you have any questions on LCIF please contact me.

History in the Making

The story of LCIF is epic—filled with unlimited compassion and tireless support of Lions service. For more than 50 years, we've dedicated our energies to increasing the ability of Lions everywhere, helping them empower the communities they serve. With every grant we give, our history grows, along with the impact of Lions. Today, we couldn't be more proud of where we stand, or more excited about the future of our work.

2015 LCIF, Lions and partners celebrate the donation of the 500 millionth dose of azithromycin, an antibiotic used to fight trachoma. LCIF receives its fourth consecutive 4-star rating from Charity Navigator. Lions Quest launches updated and streamlined curriculum.

2017 LCIF reaches a US\$1 billion milestone. Since its founding in 1968, more than 13,000 grants have been awarded, totaling more than US\$1 billion. LCIF receives sixth consecutive 4-star rating from Charity Navigator for its effective fiscal management and its commitment to accountability and transparency.

Empowering Global Service

As challenges facing our world expand, so must our capacity to combat them. To build a future promising even greater service impact, Lions Clubs International Foundation (LCIF) – your foundation – proudly introduces Campaign 100: LCIF Empowering Service.

- The most ambitious fundraising effort in LCIF's history, Campaign 100 will span three years and seek to raise US\$300 million by June 30, 2021. Campaign 100 will empower Lions to serve 200+ million people a year by:
- Increasing service impact - Fighting diabetes - Expanding global causes

These are not things that any one Lion, club or district can do alone. But together, we can. Together, our work and personal financial gifts to our foundation will ensure a brighter future for the next 100 years – and beyond. Bookmark LCIF.org/BE100 to stay up-to-date on our new initiative.

My goal as LCIF District Coordinator for the 2018-19 Lions year: 100% club participation. This can be met by a club making a donation and/or by an individual member making a donation. Currently, 25 of 44 clubs have made donations. Thank you for your generosity.

NHAPPDG Lions Learning Forum

A previous e-mail sent on April 11, 2019 asked you to:

Save the date:

- **June 15, 2019**, for the
- **Lions Learning Forum** at the
- **Concord Christian Academy**.

This was for Incoming Secretaries, Presidents and Treasurers, and may have had more courses than that. Several people inquired about the starting time for this training, but that question is no longer relevant. Due to graduations, weddings, and all sorts of other conflicts, it became clear that a June date for training is not likely to be successful. The training has been **cancelled** and will be rescheduled for a Saturday in September. Stay tuned!

MULTIPLE DISTRICT 44

Health Services of New Hampshire (formally Health Services Board) is a committee of *Multiple District 44 of New Hampshire*.

Our year end is just a month away and with much great work behind us, we realize there is so much more ahead. More lives to enhance, more vision challenges to be met and resolved, more Lions standing shoulder to shoulder and leaning into the work of Lions – identifying those in need of assistance and then working to help those unable to help themselves. One need only touch but one soul to feel the greatness of Lions work. We are all blessed to be in position to help many. This position doesn't come by accident but rather by focused tenacity and far-reaching passion. There is an old saying that goes, "The Harder I Work, the Luckier I Get" It just seems lucky but perseverance draws one into the lives of those in need.

Thank you for your work as Lions and for your humanity as a person.

Become a **Health Services of NH Visionary** – we are a group of great people doing great work for so many great people across the state of New Hampshire.

This will be the 18th year of the *Special Olympics Opening Eyes program* here in NH. The Lion volunteers have helped to make this event a success over the past 16 years and NH Special Olympics and Opening Eyes thank all the Lion Volunteers.

The Lion volunteers help with registration and taking histories, visual acuities, refractions and help the athletes to find the different stations. **This year we will be using the Spot Vision Screener again.** Lions also help with set up the day before and tear down and what ever else needs to be done.

CLUB HIGHLIGHTS

Hopkinton

Spring was a busy time for the Pinardville Lions!

*The Easter Bunny Breakfast drew hundreds of families to Bartlett Elementary School for a free egg hunt and other activities. This event is an annual tradition for the community and Pinardville Lions were there in full force to support it. *Easter lilies were delivered to Hillsborough County Nursing Home by our club. A longstanding tradition, members distributed plants throughout the main gathering spaces for residents and staff to enjoy. *Another Pinardville club signature event is the ice cream social at Hillsborough County Nursing Home. Members treated residents to live entertainment and ice cream! *Last but not least was the Bartlett School Tree Seedling project in partnership with the NH Forestry Coop Extension. Approx. 60 fourth grade students were given a "Caring for our Environment" presentation by Ethan Belair and all received a bagged seedling with instructions to plant. Pinardville Lions demonstrate EARTH Day throughout the calendar year with aluminum can recycling, collecting eye glasses & can tabs and distributing gently used clothing!

Keene

Newest members of the Keene Lions Club, Josh Greenwald & John Streeter are inducted into the Club alongside their sponsors, Ron Farina & Jim Hogancamp.

CLUB HIGHLIGHTS

Gap Mtn

On April 6, Gap Mtn. Lions held a big indoor yard sale to get a jump on the season. We got many donations from townspeople and were able to raise about \$1200. The leftover items were donated to Monadnock's "Project Graduation" for their yard sale. We also helped to sponsor the children's fishing derbies in both Troy and Fitzwilliam; lots of little fishermen, lots of prizes and lots of fun! Club members fought black flies and planted geraniums and ivy in 28 barrels at two cemeteries in Fitzwilliam. The flower barrels are looking just beautiful for Memorial Day. Two of our members donated our usual food pantry hours this month. Kids will be home for the summer very shortly and we'll doing even more to make sure they are not hungry. We will again be sponsoring about 10 children for the Troy and Fitzwilliam Summer Recreation programs.

Monadnock

The Lions club team of Chana Robbins, Larry Robinson, Earle Spafford, and Norm Bemis played in the Winchester Centennial Lions Club tournament on May 11th and came in Second. The day started out cool, ended up very sunny. Great time for golf. Thanks to King Lion Paul Landry and all Winchester Lions for a great time. Our Lion's year ends June 31th and we do not meet in July and August, going to celebrate our great year at the Lions Harrisville field in June. Mark your calendar for the June 20th celebration!

Amherst

Ten Amherst Lions installed the steel brackets and wood platforms for the Bridge of Flowers, May 14, and several Lions potted annuals in planters on May 25. Engineering of a solar-powered irrigation system continues to be worked. With the town's Board of Selectmen approval of the concept on April 29, the project remains on schedule for a July 4th

completion. To date, the Lions have donated more than 80 hours of planning meetings, clearing, design and construction, briefing presentations, and fundraising toward the effort. In other news, at ceremonies on May 21, university scholarships were awarded to two Souhegan High School students in recognition of their community service; each scholarship valued at \$1,500. Youth Director Lion Marilyn

Gibson briefed the Boy Scout, Scout and Girl Scout Troops on the Peace Poster program in an effort to increase program participation as well recognize the collaboration between the Lions and Scouting programs. Next term, the Girl Scouts will assist in the eye screening program while the Boy Scouts and Scouts continue their support of the annual craft fair and pancake breakfast fundraisers. Update on the 47th Annual Pancake Breakfast, March 25: 36 Lions contributed 226 hours (planning to clean-up), serving more than 280 guests and netting nearly \$3K for local charities.

Peterborough

It is with deep sadness that we report that Lion Betty Grayshan passed away May 3, 2019. She was the first woman President of the club, 1994-1995, and later served as Secretary, 2010-2012. She was a loyal and hard-working Lion, and will be missed.

Marcia Patten, Roland Patten, Deidre McGrath-Fischer, Gary Fischer, Lisa Koziell-Betz, Arlene MacArthur, and Marilyn Vose conducted two SPOT screenings this month. A total of 192 children were screened at Peterborough Elementary School, with 8 referrals. At South Meadow School, we screened 264 students, with 26 referrals. The speakers at our dinner meeting were from Home Healthcare Hospice and Family Services. Lorraine Bishop spoke about the services provided from the time a patient goes into hospice, including for support services for family members (including pets). Marguerite Cheney spoke about ongoing bereavement services provided in individual and group settings. The club then made a donation to support their mission.

Lions Linda Guyette and Arlene MacArthur took part in the Monadnock Walk for Hunger, raising \$440 from our sponsors for area food pantries.

Sales of tickets for our annual Lucky Duck race are going well. We were a presence at the Community Center on voting day, as well as at numerous venues around town every Saturday.

The Lucky Duck Race will be held on June 29, 2:00, as part of Depot Square Days. See flyer on page 21.
